Dear Parents,

Our school is committed to create stress free learning environment, improve engagement with children at home and in school for academic and overall excellence. In this light, our school is working with team of experts of Kalpvriksh Guru. Kalpvriksh Guru's 360 intervention with international and national schools is bringing about a real difference in achievements, happiness and emotional quotient of children.

We are organising an online session on "Effective Parenting" for parents of Air Force Golden Jubilee School which is likely to bring a huge difference in understanding our children and ability to communicate with them effectively; thereby making them successful and happy in life.

With this aim in mind, Kalpvriksh Guru has designed a short questionnaire that is being sent along. We request you to fill the questionnaire that will enable the team to design the session as per your input.
