

GRAPHIC DESIGN workshop

“Design is intelligence made visible”
Alina Wheeler

The Futurz Club of the Air Force Golden Jubilee Institute (AFGJI), Subroto Park, organised a Graphic Design workshop, hosted by school alumnus Soumil Sawmill from the batch of 2022, as a part of “By the students and For the students” series. Soumil Sawmill is an incoming freshman at the Royal Melbourne Institute of Technology, (RMIT) Victoria.

In school, he was an active member of Futurz Club and went on to serve as the Club President. He was an active part of the school's editorial board and is credited with designing Swarnima and Wall School Journal.

The workshop sought to inspire a new wave of enthusiastic artists, and aimed to expose them to the area of design.

“Design is simultaneous conservation and reconstruction”

It talked about the basics of designing from finding inspiration, to various softwares and an overall “Design Mindset” one should have and overall showcased the importance of a branding to convey a message, as a company in today’s world.

It also mentioned various career prospects and educational opportunities for both inland and international students aspiring to do further studies in the field of design.

The workshop had a really diverse audience, mostly consisting of students from classes 9 and 10, and all their questions were answered by the experienced resource person.
