CIRCULAR
CONDUCT OF PSYCHOMETRIC ASSESSMENT TEST FOR STUDENTS

Dear Parent,

1. Students of Classes IX onwards always face a dilemma while choosing their streams. Selection of right subject as per Aptitude & Skill of the child is a crucial choice to be made by the student. The choice made at this stage will not only help the child in choosing suitable career but will also help him/her to choose subject at Senior Secondary level as per his/her Aptitude & Interest.
2. In order to assist students to make this choice, Indian Air Force Educational & Cultural Society in liaison with Disha Kiran Pvt. Ltd. has organized a Psychometric Assessment Test for the students.
3. The costings of the test are to be shared between Parents & School @ **Rs. 425/-** & **Rs. 990/-** respectively. Interested Parents are requested to join the online google meeting scheduled to be held on **05 Jul 2023** at **1100 hrs**. The link of the meeting will be shared on parent portal before the meeting.
4. Looking forward for a positive response.

(Poonam S Rampal)
Principal
